

ISP Stitching & Bindery Products

AutoBook

Automatic Booklet Maker

ISP's *AutoBook*

ISP Stitching & Bindery Products takes the successful BookletMate one step further! The *AutoBook* features push button operation and a higher capacity. Simply place the collated set on the table and the book is stapled and folded automatically.

Simple Operation:

- Choose one of six pre-set sizes or program up to six more custom sizes.
- Move stapler heads to recommended positions and close cover.
- Place collated set on table
- Press "enter" and the book will be stapled and folded.
- Time delay feature for cycle start also available.
- Finished book ejects up through the slot.

Easy access for stapler head re-load.

AutoBook Features:

- Sets up in seconds
- Paper size changes are quick and easy
- 6 pre-set sizes and 6 more programmable sizes
- Safe operation — cover interlocked
- Staples and folds up to 15 sheets of 20 lb. bond
- Lightweight and portable
- Two staplers with five stapling positions

Simple push button operation.
